## EDUCATION

---

**B.S, Computer Engineering, Virginia Tech**  
Blacksburg, VA

**Expected graduation:** May 2027

## INVOLVEMENT

---

### STEM Organization and Assessment

Career & Technical Education Program

Virginia Beach, VA

September 2021 - May 2023

- Utilized AutoCAD to create and modify detailed 2D/3D technical drawings, ensuring accuracy and compliance with project specifications and industry standards.
- Actively contributed to all phases of projects, including systems design, prototyping, and detailed project planning, ensuring that all technical aspects met rigorous industry-grade standards and were optimized for functionality.

### National Honor Society

Executive Board Member

Virginia Beach, VA

September 2020 - May 2023

- Prestigious organization that recognizes and encourages academic achievement, leadership, service, and character in high school students, with a focus on promoting well-rounded individuals and fostering a culture of excellence.
- Provided leadership and strategic direction, organizing events, coordinating community service initiatives, and fostering academic excellence among members.
- Actively worked to bridge the gap between students looking for meaningful volunteer experiences and local organizations seeking volunteers, ensuring the needs of both parties were met effectively.

### Cox Orchestra Association

Concert Master

Virginia Beach, VA

September 2020 - May 2023

- Served as Principal Concert Violinist and Concert Master from 2020 to 2022, demonstrating leadership and musical excellence in orchestral performances.
- Achieved Full Superior Ratings in Orchestra Assessment and received multiple class awards at the Busch Gardens Williamsburg Orchestral Performance in Spring 2022.
- Performed at Carnegie Hall during the 2022-2023 season and was recognized as the Most Improved of Class A in 2020-2021, showcasing dedication and artistic growth.

## EXPERIENCE

---

### Geisha, Japanese Steakhouse

Dishwasher, Busser, Waiter

Virginia Beach, VA

August 2020 - January 2021

- Developed strong problem-solving skills and adaptability by efficiently managing dishwashing operations in a high-volume steakhouse, ensuring seamless kitchen workflow.
- Enhanced teamwork and communication by coordinating with kitchen staff and servers as a busser, optimizing table turnover and restaurant efficiency.
- Demonstrated attention to detail and customer service skills as a waiter, managing multiple orders accurately and improving time management in a fast-paced environment.

### Cinnaholic, Gourmet Cinnamon Rolls

FOH, Cashier

Virginia Beach, VA

August 2022 - May 2023

- Managed front-of-house operations in a busy shop, ensuring a smooth customer experience through efficient service and coordination with the kitchen staff.
- Handled cash and electronic transactions with accuracy while providing excellent customer service, demonstrating strong attention to detail and problem-solving skills in a fast-paced environment.
- Optimized workflow by quickly adapting to changing demands, assisting with order fulfillment, and maintaining inventory to support seamless daily operations.
